# Apocrypha [illustrated] [translated]

## Synopsis

This book has been specifically formatted for the Kindle reader. We did our best to take advantage of all the features of the kindle to maximize your reading experience with this book. This book contains the following apocryphal books: The First Book of Esdras The Second Book of Esdras The Book of Tobit The Book of Judith The rest of the chapters of the Book of Esther The Book of the Wisdom of Solomon The Wisdom of Jesus the son of Sirach, or Ecclesiasticus The Book of Baruch Epistle of Jeremy The Song of the Three Children The History of Susanna Bel and the Dragon The Prayer of Manasses The First Book of the Maccabees The Second Book of the Maccabees The word Apocrypha comes from a Greek word meaning "those having been hidden away". Apocrypha generally means those sacred books of the Jewish people which were not included in the Hebrew canonized Bible. These books are valuable as forming a link connecting the Old and New Testaments, and are regarded as useful reading, although not all the books are of equal value. The apocryphal books in this Kindle book are considered of "special value" and are mostly correct, but with many interpolations by man. The Roman Church regards as part of the canon the books of Tobit, Judith, Wisd., Eccclus., Baruch, 1 and 2 Macc., and the additions to Daniel and Esther. Besides these books, there are other Jewish apocryphal writings. The chief are the Psalms of Solomon, the Book of Enoch, the apocalypse of Baruch, the Testaments of the Twelve Patriarchs, the Assumption of Moses, the Book of Jubilees, and the Sibylline Oracles

## Book Information

File Size: 3593 KB

Print Length: 402 pages

Publisher: Misbach Enterprises; First edition (February 25, 2009)

Publication Date: February 25, 2009

Sold by: Â Digital Services LLC

Language: English

ASIN: B001U0Q17K

Text-to-Speech: Enabled

## Customer Reviews

I am always interested in historical books, especially religious oriented books. Many people don't realize that the New Testament was a compilation of letters and books written during and up to 150 years after the time of Christ. The Pauline letters were written by the Apostle Paul during his ministry after his miraculous conversion shortly after the crucifixion of Christ. Not every letter, writing, or supposed document by an apostle, or contemporary follower of Christ, was accepted as scripture. In fact, it wasn't until the late 4th century that most Churches accepted all the canonized 27 books of the New Testament as scripture. The Apocrypha, though originally part of the Catholic Bible (and still is today), was later removed from the Bible by the Protestant Christian faiths. The Apocrypha is an intriguing set of writings that remind the Christian believer that although the Bible is a selection of scripture given by God, it is not the only word regarding the life and ministry of Jesus Christ and his apostles and missionaries; it is simply what religious scholars over the ages have agreed to be Gospel. Nestle's Greek New Testament, considered by most scholars to be the foundation upon which all other New Testament translations derived, lists 132 New Testament passages that allude to books that are not part of the modern day New Testament. All modern versions of the New Testament have references to books that are missing from the New Testament such as Thias, Epimenides, the Book of Enoch, The Life of Adam and Eve, the Assumption of Moses and the Martyrdom of Isaiah, to name a few. It is interesting how most Christians will claim that the Bible is infallible, perfect and complete.
