Synopsis

From the rear cover of this 96 page book: "Like the illuminated manuscripts of Saint Francis of Assisi's time, this inspiring collection of poetry by Helen Steiner Rice imparts truth and beauty on every page. More than fifty poems by a woman well-acquainted with turbulence and distress are woven together with the comforting revelation of Scripture and the intricately detailed paintings of internationally acclaimed artist and naturalist John A. Ruthven. Foxes, birds, rabbits, and butterflies dance in and out of Mrs. Rice's poems and the saint's famous prayer that she loved so much - Lord make me an instrument of your peace. Indeed, Mrs. Rice shared Mr. Ruthven's and Saint Francis of Assisi's affinity for God's creatures great and small. Like Saint Francis, she devoted her life to helping people find hope, faith, and love in the midst of brokenness and turmoil. In her final years she wrote often of God's beauty seen in the gardens of the St. Claire convent in Cincinnati, Ohio. 'If we could just lift our hearts like flowers to the sun and trust His loving promise and pray, 'Thy will be done', we'd find the peace we are seeking."

Customer Reviews

This is perhaps my favorite book. The poems by Helen Steiner Rice are extraordinary, and the art work by John Ruthven is beautiful. I personally have given so many copies away, and then I buy another copy, and see a friend that could benefit from the book that I give it away, and then buy another copy for myself. The book shares the Heart of Saint Francis of Assisi, and brings you to a quiet and loving place that brings you peace.

I bought An instrument of your peace; prayers of St. Francis is Assisi, at the request of a friend. She had encountered it in a Bible study class and was so taken by the beauty of the book, as well as the prayers of St. Francis. It is a beautiful read and lovely possession.

All Christians should consider purchasing this poem book. It is truly an uplifting experience. The book can be read in church, for weddings, for funerals or just because at home. Purchase it and enjoy the great writings of Helen Steiner Rice.

What a beautiful combination of the Prayer of Saint Francis & Helen Steiner Rice poems~the art work is beautiful. Listening to the cd and reading the poems, one finds peace!

I used this book and cd in a Christmas program I gave for the residents of the assisted living where I work. They were all moved by its words.
