## Customer Reviews

I love this book series! I highly recommend it. :) It's fun and addicting to read this mystery series. It's my favorite.

This series will never disappoint you. This is one of my best comic book series that I have for myself. I bought this on my iPhone Kindle reader app and it is clear and easy to read. One of the suggestions that I want to give to the person who ever in charge of digitizing the book, I would like to say that it will be more helpful if it can be read on a Kindle device. Somewhat it is only readable in Kindle touch and Kindle Paperwhite.

Actually, our 12 year old Grandson loves these books. We send him 5 on his birthday and 5 at Christmas. He has usually finished them all way before he gets the next batch. So far he is half way

through the series.
