Customer Reviews

It seems to me that Tim Keller is his usual masterful self in describing Romans 8. He emphasizes the really key points succinctly and directly. The books in the "For You" series are designed to be clear and easily understandable by the everyday Christian. Each book in the series is designed to embrace four principles: Bible-centered, Christ-glorifying, relevant, and easily readable. That is, none of these books are supposed to be arcane commentaries for academics only; rather, they are designed for everyone. ROMANS 8-16 FOR YOU will certainly form the cornerstone of the entire

"For You" series. As Tim Keller notes "The book of Romans is the most sustained explanation of the heart of the gospel, and the most thrilling exploration of how that gospel goes to work in our hearts." I found this book to indeed be very clear, well written, and simple to understand. The concepts are not trivial at all, but the author does a fantastic job of really explaining what the Apostle Paul means to convey. For me, the highlight of the book was actually in part 2, in the section entitled "The Good that God is Working for." As an excellent example of how the author explains things thoroughly, see his discussion on Romans 8:28 and 8:29. Tim Keller correctly points out that Romans 8:28 cannot be understood properly without looking at the very next verse. He explains, "It is therefore extremely important to read verses 29-30 whenever we read first 28! Some people read verse 28 is teaching that God gives more good things...to Christians over non-Christians, but Paul is not saying that. Paul is not promising Christians an easier, more comfortable life. He is not saying that Christians will have a higher percentage of pleasant or unpleasant circumstances.
