## Customer Reviews

So, I've been studying the Gaeilge for a bit now and I'll be the first to admit that I am not very good, however, I think there are some typos in the translation. Most obviously, there are English words in the translation - "...blas beagnach an sweetness na fionchaora" (page 3) "Ba e an sionnach chomh frustrated!" (page 6) Also on page 2, the phrase "the fox brought his chair" is translated as "thug an sionnach a chathaoirleach." I knew "chair" as "cathaoir" so I looked up "chathaoirleach" and it seems to mean "chairman" as in the chairman of the board. I'm not skilled enough to comment on

anything other than these errors... I wonder if someone fluent in the language would find more. Either way, the presence of mistakes in what is a very short books makes me feel like it's an unreliable translation.
