They are simple phrases. They sound Christianâ "like something you might find in the Bible. Weâ TM ve all heard these words. Maybe weâ TM ve said them. They capture some element of truth, yet they miss the point in important ways. #### Customer Reviews

Alas. I should have read the fine print carefully. This is the Youth Study Book.

Adam Hamilton does a good job addressing the small mistaken truths in the Bible. These are restated as fact when they are not factual.

Love all of his books that I have read. Makes you think!
