Nightmares! The Lost Lullaby

Synopsis

The third book in the hilariously scary *Nightmares!* series by New York Times bestselling authors Jason Segel and Kirsten Miller is here! You thought the nightmares were over? You better keep the lights on! **Charlie Laird has a very bad feeling.** 1. There's a **NEW GIRL** at school, and Charlie and his friends have **DEFINITELY** seen her before. 2. He's been hearing strange noises after dark, which is **NEVER** a good sign. 3. The nightmares are back, and they're **WEIRDER THAN EVER.** **Not since he faced his fears has Charlie had so many bad dreams.** Whenever he falls asleep, he finds himself in a Netherworld field, surrounded by a flock of **CREEPY BLACK SHEEP.** They're not counting sheep. They refuse to jump. In fact, they don't do much at all. **EVEN EERIER, THOUGH,** is that it's not Charlie's nightmare. Somehow he's trapped in someone else's bad dream. And he's pretty sure the twins **ICK** and **INK** are responsible. Charlie and his friends thought they'd put the twins out of business, but it seems they didn't quite finish the job. Now the **WOOLLY NIGHTMARES** are closing in, and **INK** has shown up at Cypress Creek Elementary! Charlie's convinced that **INK** is up to **NO GOOD.** And if he's right, it could be a very long time before anyone's dreams are sweet again. **Praise for the *Nightmares!* series:** **“Charlie Laird, who learns fear will eat you alive if you feed it, makes an impression, and . . . readers will want to accompany him again.”** **“The New York Times Book Review** **“A touching comical saga . . . about facing things that go bump in the night.”** **“US Weekly** **“Coraline meets Monsters, Inc. in this delightfully entertaining offering from actor [Jason] Segel and co-author [Kirsten] Miller.”** **“Publishers Weekly**
