Before You Say "I Do"®: A Marriage Preparation Guide For Couples

Synopsis

Is marriage on your mind? Have you found "the one"? This popular and helpful interactive workbook is designed to strengthen your love relationship and deepen your bond. You'll find all you need for fun and thoughtful discussions as you explore vital areas, including: What does the Bible teach about marriage? What makes you feel loved? How do you handle conflicts? Do you plan to have children? Why or why not? What are your priorities when it comes to money? Drawn from years of marriage preparation seminars and counseling sessions, these insightful questions will help you build a solid future together. With Jesus as your cornerstone, your partner and you can create a loving, successful marriage. More than 500,000 couples helped!

Customer Reviews

Norm Wright's handbook for pre-engaged couples is one of the best ways to help a couple prepare for marriage. I've found that the longer I've been married, the more I appreciate all the different topics these 12-14 chapters cover. I use it for pre-marriage counseling and have found that this book is a great discussion starter.

The gold standard in marriage counseling. We went through ourselves before getting married in 2003 and we've used it to counsel a sister and sister-in-law and their husbands to be. Thorough, insightful, and well organized.

I was skeptical at first when our pastor asked us to get this workbook. However, after completing

this workbook with my fiancée, I felt it was so beneficial because it brings us topics that we never discussed.

This has been a very good devotional for my fiancée and I to go through. Even though we communicate quite well this book has helped us talk over some things that we would not have and has been a spring board to talk about things that the book does not even mention. I would highly recommend it. However, I would make one suggestion to the reader. Don't skim the homework. Do it. You can even do it with your fiancée and immediately talk about what your thinking. Take your time with this devo and allow the Holy Spirit to draw your hearts closer to the Lord and each other.

Many questions, good both if you've given a lot of thought to it already, or barely have thought about what marriage really is. Liked it a lot, but would advise to handpick what's relevant to talk about. If in doubt, do it. Don't run away from the hard questions ;)

Practical insight for couples in preparation of uniting their lives. Filled with lots of solid Biblical advice. Have used "BeforeYouSay 'I do'" for years in pre-marital counseling. I highly recommend!

This is an important tool to prepare for marriage.

A fantastic tool and resource. A real usable guide to counsel couples before they take the step. Thought provoking and practical. Excellent, a must have for every Pastor.
