Fast Friends

Synopsis

Fast Friends tells the story of two men who accidentally find refuge, in each other's strong arms, from both a winter storm and the cruel lovers who don't cherish them. Without words, Lazarov and Broderick tell a story in graphic novel form that's rich in detail, feeling, and sexual sensitivity.

Customer Reviews

A very nicely drawn book that is very sexually explicit, although I had a hard time following the story (there are no captions) the first time through. However, it made sense after a few more viewings.

A great collection of sweet gay friends. True to life types.

Still one of my top faves Thanks to an excellent story told entirely through beautiful and expressive art.

Wonderful graphic novel. Good story and extremely well done.

Exactly what I was looking for.
