Customer Reviews

I found very many errors in last years book. There was one reference to Scripture like see verses 10-20 and the verses ended at 15. The Deacon who taught the class was speechless when I brought it to his attention. This is the second year in a row. So I hope they have proper proofreading this time. I will not purchase this Sunday School book ever again if I it does.

We have ordered this Sunday School book for several years. That is how much we love it.

not as good as last year kindle book. Book is not interactive this time

Love this commentary, we have used this publication for many years.
