This book on the life of Jesus is amazing. My wife and I felt as if we had stepped back in time and witnessed Jesus in person. Each page is a blessing. We have read it several times and find something new and exciting every time. After we got the hardback and paperback version we discovered the 64 page abridged "sharing" edition. We purchase the sharing edition by the case to share with others. I couldn't recommend a book on the life of Jesus more highly than this one. Nice job Jerry D. Thomas

I am very much enjoying reading this version of Desire of Ages ...It is a much easier read ... Don't get me wrong love me Ellen White books ... This is just an easier read if you are having a harder time with the older version ...

Jerry Thomas has made a classic read even better with his rewrite. I used this book as a devotional and found each chapter to be compelling and thoughtful, perhaps even more . . . I was drawn to a closer walk with Christ. I hope that if you're looking for something that will be uplifting and insightful on the life of Jesus, that you'll purchase this book.

This is a very well written and easy to understand book. A more in depth look at the life of Jesus. You will not be disappointed if you read it. You may even be blessed.

The most spiritual book I've ever read. An easy read, yet describes in detail what Jesus went through from birth to crucifixion.

Beautiful easy to read book on the life of Christ!

Great Book Great transaction.....thanks
