I have read Joyce Meyers Power Thoughts Devotional, and Joel Osteens I Declare and this little .99

ebook outshines them all! Lynn R Davis GETS IT! This book has 31 Scripturally Based Affirmations that can be used over and over and over again to retrain the mind and heart. Repentance simply means to "change your mind"; or to "retrain your thinking" and this book has set a great foundation for me to do that. I look forward to reading some of her other books now! The only way this book could be made better is to have a LINKED TOC to each days devotion.

Lynn wants us to know that God given individuals the right to control, command, and determine the condition of their life. That anointing will intercede and positively encounter the lives of people around us. It is time for us to stop undermining our own authority with those negative words, attitudes and actions. We need to walk by the spirit, talk by the spirit and live by the spirit. We should allow the mind that is in Jesus Christ also be in us. Allow the Gospel of Jesus Christ penetrate our heart, mind and soul. We need to meditate on the Word of God daily. It is time for us to renew our mind and allow the power of God in us to be the energetic enforcement in our Christian life. That Holy-ghost power will gives us the authority to change our mind, empower our words and change our lives for the better. Please get this book for yourself and people who you care about that need to speak Faith into their lives. I am planning to read this book again and again to let it sauteed in my mind. This book will also help you to change your circle or surroundings.

Some of this comes off as a person who has been brainwashed. If you don't have a solid foundation of trust and belief, you might have a hard time with accepting the self-defined attitude of positive assertion. Applying each daily directive as it applies to lessons learned from the bible helped me realize how to apply them to me. This is not a devotional, it is a way to effect change in how you view your own efforts to live a positive life and not spend your time beating up yourself when you make mistakes.

As true to form for Lynn R Davis, this book is amazing! It has helped me on my journey to get rid of negative patterns. As we get stuck in self destructive patterns without even realizing it. All of Lynn R Davis books are great for helping me recognize these traits and break the cycle for myself and those around me. I would HIGHLY recommend ALL of her books as a must read. I love how she backs up everything with Scripture! Very much a blessing to me. Susan Creek , West Monroe, La.

This book has been so inspiring to me and has helped to truly keep me positive. What I like so much about this book is there are 31 positive affirmations. After the affirmations, there is a mini sermon

teaching and at the end of this, there are several Bible meditations to re-enforce the teaching. For me, this is one of the best mini books regarding positive self talk! Highly recommend this book, it has helped me, I think that it may be of help to you.

The book can probably be summarized in the followed statement from the Introduction: "Now more than ever, we must stand firm. The world is trembling. But we are not. We have a solid rock upon which we stand. That rock is Jesus. We trust Him with our whole hearts. The world needs us. They're drifting aimlessly without direction. Unsure who to trust. But we know. Our trust is in the Lord who made the heavens and the earth. Be a positive Christian. Choose to believe. Stand if you have to stand alone. A steadfast, unmovable believer who is rooted in the word-certain of its power. Let's show our family and friends what faith is. Let's teach them how to trust God and believe His word." • If it was published in a "shirt-pocket" format, about 3 X 4.5 or so, this book would be useful as a quick inspirational tool, to be used occasionally during a person's busy day. Glance at one or two statements as a reminder to think and speak in a positive manner, to take on each challenge with an attitude of faith, to be positive in the face of the inevitable negative encounters a person will have on a regular basis. It would be useful for a quick, pick-me-up message on an I-Phone or tablet. This is not so much a deep and profound essay, as it is a quick, self-help style tool that would be valuable for any person who already has a faith system on which to rely. The book might not speak as helpfully to someone who makes no claim on religious faith in the Christian tradition. Davis, Lynn R (2014-09-12). *I Am Positive!: 31 Positive Self Talk Declarations to Speak Faith Over Your Life (Negative Self Talk)* . Lynn R Davis. Kindle Edition.

Phenomenal! A very simple yet Powerful way to change yourself from inside out & encourage yourself. Takes only a few moments even for people like myself... Slow readers.. A great book for that 1st bathroom run when u 1st wake up. IJS :-)

This book is so powerful you can feel it , it helps you to regain your your faith if you are lost. My most favorite quote is peace be still, in that phrase so much is said with so little. A lot of times we live our lives reacting and trying so hard to one up each other we can't hear God's plan for us. This book will help you put everything into perspective if guidance is what you seek.
