Customer Reviews

Good all in one for students. I bought this for my 5th grader and he's found it very useful. It is a paperback so it may not last more than a year of daily use, but for the price you can't go wrong. Also the built in world atlas is a nice bonus!

My grandson needed this for school and he loves it. He is so proud to have this type of dictionary with the thesaurus. Great product for kids.

See no much difference the dictionary part vs thesaurus. My 10 yrs son did not like it. Will try another one.

Always an excellent thing to have. Very helpful

The pages are the newspaper kind

It is nice having both dictionary and thesaurus in one book. Easy to navigate. My son is in 4th grade and will be able to utilize this for years to come.

Well done. I did need one that shows how words are accented. This does not. It has many bonus materials that are worthwhile.

Large, lots of easy to find info. Great for homeschooling.
