# Half Truths [Large Print]: God Helps Those Who Help Themselves And Other Things The Bible Doesn't Say

## Synopsis

They are simple phrases. They sound Christianâlike something you might find in the Bible. Weâve all heard these words. Maybe weâve said them. They capture some element of truth, yet they miss the point in important ways. Join Adam Hamilton in this 5-week Bible study to search for the whole truth by comparing common Christian clichés with the wisdom found in Scripture. The clichés include: Everything happens for a reason. God helps those who help themselves. God wonât give you more than you can handle. God said it, I believe it, that settles it. Love the sinner, hate the sin.

## Customer Reviews

I am so happy to have found the very Reverend Adam Hamilton. His writing is outstanding, his explanations are well researched and understandable. He presents a complete picture because he wants you to understand not just be preached to. I found him to be a delightful breath of fresh air in a troubled world.

Adam Hamilton brings clarity to those saying we've all heard for years. His views and research are refreshing to read and certainly shed light on how half truths entered our learning.

Powerful book that made me think about what I say!

Came quickly and great read
