Customer Reviews

I bought 2 of these for my nephews, both of whom are squirt hockey players. This book very out of date. Some of the players referenced in this book no longer play for the team whose uniform they are shown wearing. Some of the statements made no longer make sense. i.e. Zdeno Chara blocks shots in front of Tim Thomas. Not so much! Last season Thomas didn't even play and this year he plays for Florida where Chara would be shooting AT him. There is a picture of Richard Park in his Penguins uniform. He played for them 2 years ago and is not currently in the NHL. I'm sure there are more examples so don't waste your money.
