Laika

Synopsis

Laika was the abandoned puppy destined to become Earth's first space traveler. This is her journey. Nick Abadzis masterfully blends fiction and fact in the intertwined stories of three compelling lives. Along with Laika there is Korolev, once a political prisoner and now a driven engineer at the top of the Soviet space program, and Yelena, the lab technician responsible for Laika's health and life. This intense triangle is rendered with the pitch-perfect emotionality of classics like *Because of Winn Dixie*, *Shiloh*, and *Old Yeller*. Abadzis gives life to a pivotal moment in modern history, casting light on the hidden moments of deep humanity behind history. Laika's story will speak straight to your heart. --This text refers to an out of print or unavailable edition of this title.

Book Information

Paperback: 208 pages

Publisher: First Second; First Edition edition (September 4, 2007)

Language: English

ISBN-10: 1596431016

ISBN-13: 978-1596431010

Product Dimensions: 6.1 x 0.5 x 8 inches

Shipping Weight: 1.3 pounds (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (40 customer reviews)

Customer Reviews

Dead dog books used to be a dime a dozen. Time was a kid couldn't walk into a bookstore without getting whacked over the head with *Old Yeller*, creamed in the kisser by *Souder*, and roughed up royally by *Where the Red Fern Grows*. Recently, however, dogs don't die as often as all that. You could probably concoct some magnificent sociological explanation for this, citing changes in the political and emotional landscape of our great nation leading to the decrease in deceased literary pups, but as I see it, a good dead dog story is as hard to write as an original paper on *Moby Dick*. What else is there to say? Man's best friend dies and everyone feels bad. In this jaded culture it would take a pretty steady hand to find a way to write a dead dog tale that touches us deeply. Not a dog person myself, I direct your attention today to Nick Abadzis. I don't know how he did it. Laika,

the world's most famous real dead dog (a close second: the dead pooch of Pompeii), is now presented to us in a graphic novel format. Though I prefer cats through and through, "Laika" the novel grabs your heart from your chest and proceeds to dance a tarantella on the remains. The best graphic novels are those books whose stories couldn't have been told any other way. "Laika" has that honor. Her story was more than just her own.
