My son absolutely loves Karma Wilson's bear books! We have this little collection and it's a well loved favorite. The illustrations are beautiful, the story has a sweet little rhyme to it and Bear is very endearing. A must have for the kiddos in your home!

We love the Bear books in our house and these ones live up to our expectations. I ordered these for my three year old son and he absolutely loves them. Very cute stories with adorable illustrations. We will be enjoying these books for years to come. Could not be happier!

Terrific as are all the Bear books. We love this illustrator, have lots of her stuff. My daughter loves the sturdy box, too, and spends a lot of time taking the books out & putting them back in.

Wonderful books. My nieces and nephew call me Uncle Bear so they always love when I get them new bear books!

These books are the greatest!! Every time a friend has a baby I get them the bear booke for little one.
