Letters, Words, And Silly Phrases Handwriting Workbook (Reproducible): Practice Writing In Cursive (Second And Third Grade)

Synopsis

This writing workbook focuses on cursive uppercase and lowercase letters, words, and short phrases. The three traditional horizontal lines are included as a guide - solid top and bottom lines plus a dashed middle line help students master the relative heights of the letters, and to write across the page in straight lines. This workbook begins with practice handwriting cursive uppercase and lowercase letters. Students first trace the letters and then try to write them on their own on a new line. This workbook concludes with practice writing silly words like *ærhinophant* and silly phrases like *æbanana taco*. Exercises like these help to make learning fun, whether in the classroom or at home. May your students or children improve their handwriting skills and enjoy reading and writing these letters, words, and silly phrases.
