Jillian Hall's book "T.D. Jakes: Lessons of Leadership Success" is an outstanding book for someone that wants to get in touch with the spiritual side of life. With his 50 life lessons of wisdom by Time Magazine's America's best preacher, you can develop your spiritual direction just by reading the pages. The book is like having a spiritual adviser by your side. Through practical application of the concepts you can become more inspired to face life's biggest challenges. I strongly recommend this book.

I'm trying to improve my public speaking, so I got attracted by the book cover when looking for books on Leadership. Haven't heard anything about T.D Jakes before, but his quotes and lessons inspired me so much! I'll be sure to watch some video footage about him...

Inspiration can be found in many places - but I like the one that comes from wise words. This book does a great job of taking some of T.D Jakes sayings and converting them into a set of advice for life. Inspirational lessons coming from faith and spoken by an example of leadership in the 21st century.

This is an EXCELLENT book on leadership and is deeply steeped in faith. It does not however directly reference the Bible as is sometimes the case with TD Jakes. Its worth, however, is boundless. The only reason I dropped one star is that it is poorly edited. There were misspelled and misplaced words on every third page which is too bad because it became a distraction from the content of the book.

I loved the encouraging words from this man of God, I would recommend this book to anyone who may find themselves in a dilemma as to whether or not the word of God is your way thru and your way out. Powerful messages to read and meditate on.

An easy read of sound nuggets, that serve as a great daily devotional. Touches on the following subjects: prayer, wisdom, and faith.

Would do of wisdom. I will read this book daily for inspiration. It soothes the spirit. Great job and awesome words of faith.

Motivating readings to get you on or keep you on track during your journey with The Lord. Can be

read over and over again
