Computer Service And Repair

Synopsis

Computer Service and Repair is written for those who have no PC experience, as well as those technicians who have limited formal training. Written in an easy-to-understand format with hundreds of illustrations, Computer Service and Repair takes the reader from basic instruction to test preparation for the CompTIA A+ Certification exams. For those who want to learn computer networking, programming, administration, or any of the computer sciences, Computer Service and Repair is the perfect place to start.
