Customer Reviews

this book is a good discussion book for parents and children, or teachers with children, but it's not an entertaining book, it's very "teachy"

Awesome story book to teach about kindness. I'm planning to share it with my students as part of the Values Matter campaign for our school district.

This was a very good book to use with students in the elementary level. They all seemed to enjoy it.

Excellent book for children. The topic of kindness should be introduced to the child at a early age.

It's important to teach children the importance of being kind.

Good message for young kids. My four year old son loves this book.

Great book for teaching young children meaningful life skills

Perfect for my class of four year old children!

Very sweet book.
