Love it and 10 stars!Very nice book and audio cd. We sing along the book at home and listen to the cd in the car. Poems are very well written and have excellent message and story. We highly

reccomend it to all.

Dawud Wharnsby's "A Picnic of Poems in Allah's Green Garden" is filled with beautiful and lyrical poems celebrating everyday life, nature, and many more. I think it is geared more towards the Muslim child as there are several poems in here that address Muslim celebrations like "Ramadhan", the significance of certain Arabic phrases such as "Alhamdulillah, Subhanallah and Insha Allah", "Muhammad", and "Prayer". Many of the illustrations depict women wearing clothes typical of Islamic fashion and they are colorful and gorgeously-illustrated by illustrator Shireen Adams. The poems are well-written and have a musical quality to them and there's a bonus feature in the form of a percussion-based audio CD which accompanies the book. I think this book of poems would also enrich multi-cultural collections in school and public libraries.

Love the size, the quality, the illustrations and especially the poetry. It is funny, quirky and very kid-friendly. A must for your bookshelf if you love quality children's books. And the CD is a delightful bonus!

These poems are so adorable! My children (age 6 and 3) love the CD that comes from it and as soon as we get in the care they are requesting it. The book is nice as well, but I could never be so clever as the author/singer of the poems in the unique rhythms he recites them.

Kids love the songs and can read along to the words. You don't have to be a Muslim to appreciate the values, it has songs about bullying and lying. Love it

Wonderful CD and book! I am ordering another one because we shared this with my children's school teacher and she enjoyed it so much we wanted to gift it to her. It's a lovely, soothing cd to listen to in this hectic world. My kids all love it and they are all teens or pre-teens. The book is a beautiful work itself! Dawud Wharnsby Ali has only improved with time. Here he has gone back to the beautiful simplicity that he does best through melody and poetry.

My three children (under 8) fell in love with the songs. Their favorites are "Prayer," "My mother", "A prayer to end bullying", and "People are like candy." I was pleasantly surprised how quickly they memorized the lyrics too. I am planning to order few more copies to give out as gifts. Br. Dawud keep the poems coming!

The book is so lovely and the poems are so deep yet they are entertaining to adults and kids alike. I think this book will remain a family treasure for generations to come.
