# God's War On Terror: Islam, Prophecy And The Bible

## Synopsis

God War on Terror is one of the most important books ever to be written on End-Times prophecy. As Walid says, I wasted my college days taking courses on Psychology 101, English 101, and Sociology 101 but I never imagined Futurology 101! The bible, as I found it, is not simply a book on personal devotion as is commonly thought; it is a detailed roadmap with mountains of evidence that God exists. His design from time immemorial, regarding man's destiny, is filled with countless details about the future, especially the coming war with an Islamic coalition against Christianity and Israel. In fact, all of the references in the Bible to nations, against which God declares His war in End-times, you will find, are all Muslim.

## Customer Reviews

This book is a must read for all people interested in End Times. You really don't even have to be a religious person to appreciate Walid Shoebat's very solid case for his view that the Bible's Anti-Christ is Islam's promised Messiah the Al Mahdi. You don't even have to believe in God to see that his evidence is pretty compelling. It is extremely detailed and pulls no punches on things. This book by Walid Shoebat is going to shake the foundation of what many Bible believers have been told over the last 50 to 100 years. This book is going to help many Christians to better understand what part Islam plays in the End Times. Surely many Christians who have never read about Islam's Messiah the Al Mahdi are going to be shocked out of their comfort zones by the findings in this book because they have been taught for so long to be looking to Europe for the Anti Christ. This

Ex-Islamic Terrorist Walid Shoebat heavily supports his ideas about Islam's awaited Messiah the Al Mahdi being the Bibles Anti-Christ from front to back. He basically says that today's acts of Islamic Terrorism are really practice runs for the return of Islam's promised Messiah the Al Mahdi by today's overly impatient and eager Islamic Terrorists. I have read numerous authors on End Times and Walid puts many of them to shame. I really appreciate his ability to relate what he learned while being a Muslim and his detailed point by point illumination of things like the Madhi's attributes that mirror what the Bible says about the Anti-Christ. Things like his personal explanation for how Muslims react to one of the unpleasant names among the 99 names of Allah are just an example of the insight he brings to his work.
