# The Rapture: Christianity's Most Preposterous Belief

## Synopsis

There continue to be many questions concerning the "Rapture" of the Church and its apparent contrast with the "Second Coming" of Jesus Christ. Where does this strange view come from? Is the term "rapture" even in the Bible? Clearly, the idea of the Rapture can be considered the most preposterous belief in Biblical Christianity. The situation regarding the doctrine of the Rapture is painfully similar to the famous quote by Dr. Richard Feynman, speaking of quantum physics: "I think it is safe to say that no one understands quantum mechanics...in fact, it is often stated of all the theories proposed in this century, the silliest is quantum theory. Some say that the only thing that quantum theory has going for it, in fact, is that it is unquestionably correct."

## Book Information

Audible Audio Edition

Listening Length: 3 hours and 15 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Koinonia House

Audible.com Release Date: March 16, 2016

Best Sellers Rank: #11 in Books > Christian Books & Bibles > Bible Study & Reference >

Prophecies #33 in Books > Christian Books & Bibles > Theology > Eschatology #332 in Books > Audible Audiobooks > Religion & Spirituality

## Customer Reviews

Several months ago, I asked God to help me understand the book of revelation and increase my knowledge of the bible and especially the end times and the rapture as I felt very confused with all the different things I was hearing and reading about the end. So this book was, I believe, chosen for me to read. Thank you Dr. Missler for a concise, understandable read. All my confusion is cleared and my questions answered. Everything was backed by scripture and my bible was open by my side as I studied this excellent book. You took something that was to me very complicated and explained it in terms that anyone could understand. God bless you and everyone connected with this.

I'm a big Missler fan, and this CD collection did not change that. Missler give his typical detailed proof on the topic of the Rapture that would lead anyone Christian to believe the Rapture/Harpazo is imminent. If you want to study the Rapture, I highly recommend this CD collection. The only gotcha is the software included to run the presentation as you listen is out of date. Go online to get an updated version. This is a good resource for your Bible study group as well.

This book provides some compelling reasons to believe in a pre-Tribulation rapture of the bride of Christ. Well-written and highly insightful, my only wish is that Dr Missler had made it longer and gone into even more depth than he did. I am more convinced now than I was before reading this that the rapture is imminent and shall occur before the Great Tribulation. This is a must-read for any Christian struggling with piecing together the mysteries of God's Word and understanding end-time events. I will be reading it again to gain more familiarity with these concepts.

This is a very detailed account of the Rapture. It has changed my belief in the Rapture. I gave this to our Pastor who uses the information on it in some of his sermons. I recommend this product to all who wants to know about what the Bibles says and the plan for us presented by God. Don Stanker

I was a little disappointed with this book. I think I expected something more - but it didn't answer any more questions that others I had read. The author was good - he wrote well - but like I said not too informative.

If you've ever had question or doubts about the reality of the rapture, the writer will bring you to a resounding belief that there is indeed relief and hope that the church most definitely will be called Home en masse to be with the Lord.

This Book Examines the Truth of how God Works and how it only makes sense for there to be a Pre Trib Rapture. For example, Jesus says with the 10 virgins, 5 waited patiently and He came when none of them expected him to. But the 5 that waited patiently and was prepared was removed, aka went with them, the other 5 were left behind. Jesus says u will not know, Thats for the Rapture, on the other hand he gives sign in which u will know when he returns to Earth, the 2nd coming, 1260 days after the 3 witnees. Any way, Explore this audio, He gives an extremely well point and focus on scriptures and how Gods work, U may just open those traditional eyes to Some Biblical Truth!!!!

Excellent book on the rapture. Many people are confused about the rapture and second coming. This book takes a look at both and gives Scripture verses to help you understand that they are two separate and distinct events. It also includes explanations of Daniel's 70th week prophecy. Worth your time to read.
