Customer Reviews

The maps are amazing, but it loses two stars for the size - it's an awkward 10ish x 14ish size (each page is basically the same size as the book, and there is no real margin, so you can't trim one side without losing part of the print) so you really have to get a custom frame made if you want to frame any of these (which is what we intended to do for our daughter's room). I also wish they had posted a list of the countries in this poster book - it's not all the ones in the other Maps book. Here's a list for other customers to use: Sweden, Finland, UK, Germany, Switzerland, Poland, France, Spain, Italy, Greece, Russia, China, India, Japan, Jordan, Egypt, South Africa, Madagascar, Canada, US, Mexico, Peru, Brazil, Australia, New Zealand, Arctic, Antarctica, the World.

Great book and fast service!
